

Statewide Transportation Improvement Program Project Listing

Other Than Transit Projects

(Listed by Region, Approved Fiscal Year, and County)

Priority for expenditure of funds is by year as shown in the following project listing. Changes in priority must be approved by the Utah Department of Transportation. Priority changes for projects in the urbanized areas must be approved by the Metropolitan Planning Organization and the Utah Department of Transportation.

Federal-aid funds for preliminary engineering can be obligated for projects in any of the first three years of the program without additional approval of the Utah State Transportation Commission or the Metropolitan Planning Organizations.

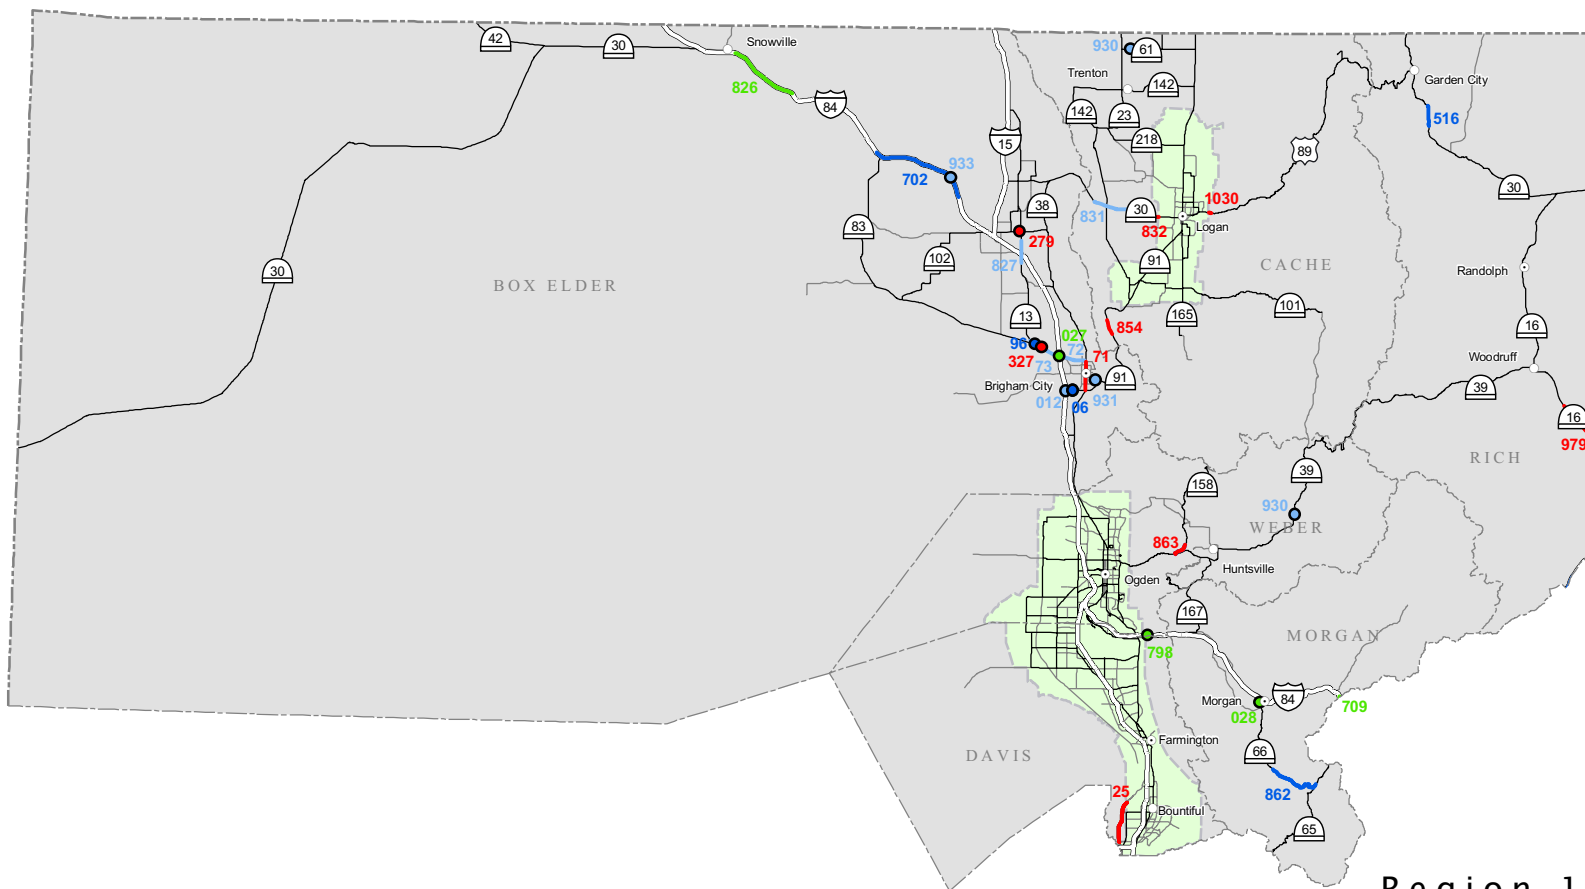

NOTICE

Anticipated expenditures of centennial funds are itemized in the project listing. Anticipated federal funds for advance construction conversion are also listed and are designated in the funding source column as Convert Advance Construction.
